

TRELLIDOR SECURITY SCREENS

Lock Out The Worry.
Elegant and affordable security screens.

TRELLIDOR SECURITY SCREENS

A range of multi-purpose see-through woven stainless steel mesh screens, framed on all sides and made to measure for doors and windows. Models differ in price and strength under attack.

GRIFFINGUARD®

Affordable see-through screens.

Contemporary woven stainless steel mesh screens with a streamlined aluminium frame. Black hinges and handles match the woven mesh panels. The screens are custom-made to fit doors and windows to block out a multitude of problems, from weather to insect swarms, monkeys to snakes, and opportunistic thieves.

Why choose Trellidor Griffinguard®

1 The Trellidor Mark

Fully framed, affordable stainless steel mesh screens with the Trellidor mark of strength and locking.

2 Unique Tensioning System

The Trellidor mesh tensioning system enhances product performance.

CLEAR GUARD®
ATTACK TEST

CLEAR GUARD®

Superior strength security screens.

Security screens that are designed to provide exceptional strength under attack. The high tensile, coated and woven stainless steel mesh panel has a neat, four-sided aluminium frame and customised stainless-steel hinges for added strength. Fitted to doors and windows, these screens protect against intruders, pests, and climate.

Why choose Trellidor Clear Guard®

1

Exceptional Protection

Fully framed with in-built security features and superior mesh tensioning for high level door and window security.

2

Tested and Trusted

Tailor-made to fit securely. The Clear Guard security system has undergone rigorous attack tests.

STANDARD FEATURES THAT SET TRELLIDOR SECURITY SCREENS APART

Tensile woven, coated stainless-steel mesh screen.

Full architectural grade aluminium frame for strength and stability.

Virtually see-through screen provides clear, unobstructed views.

Fitted with superior quality locks (fixed units also available).

Filters out up to 60% of sun's UV rays for internal climate control.

Allows airflow through the woven stainless steel mesh screen.

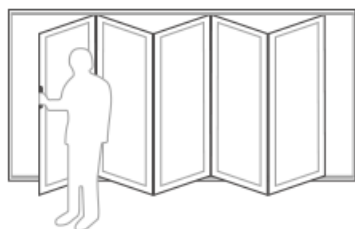

Blocks out up to 50% of strong winds.

Durable and corrosion resistant even in coastal conditions.

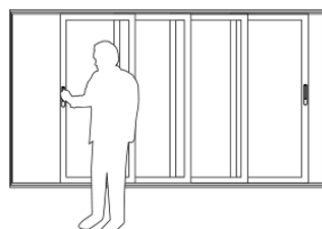

Suitable for all levels of security risk, from low to high.

No power required to provide dependable protection.

MESH MATERIAL WARRANTY (INLAND/COASTAL)	5 years	5 years
COMPONENT HARDWARE WARRANTY (INLAND)	3 years	3 years
COMPONENT HARDWARE WARRANTY (COASTAL)	1 year	1 year

WHY TRELLIDOR?

A BRAND YOU CAN TRUST

We were established in 1976 and have secured millions of doors, windows and other openings since our journey began.

CLOSE TO OUR CUSTOMERS

We have a large network of outlets so that we can provide customised products and expert personalised service with local knowledge.

INNOVATIVE PRODUCT RANGE

We're constantly updating our range to reflect current trends but continue to supply our old favourites that are trusted around the world.

PEACE OF MIND PROTECTION

We invest in international third-party testing and certification of our high-end designs to ensure that our entire range provides the best protection on offer.

DEPENDABLE PRODUCT WARRANTIES

Our warranties are not a sales gimmick. Not only are they internationally verified, they are realistic, reliable, responsible and reflect our confidence in our products.

LONG LASTING INVESTMENT

Our world-class anti-corrosion pretreatment and powder coating process creates a smooth, high-quality finish for a durable product with a long lifespan.

COLOURS

All Trellidor products come in 8 standard colours. Special colours are available on request, allowing you to choose a colour to best suit your decor or your corporate colours.

The Trellidor powder coating system includes a pre-treatment process that enhances our products' corrosion and UV resistance. The powder coating is ideal for coastal and inland conditions and increases the lifespan of the barrier by retaining its quality finish.

*Actual colours may vary slightly due to device settings, differences in printing substrates, or personal perceptions of colour.
